Contact: For Guidelines and Application forms: the University of Auckland Scholarships Office or the Dean’s office, Faculty of Medical and Health Sciences, The University of Auckland.

REGULATIONS

1. The Awards shall be known as the Sir John Logan Campbell Medical Trust Awards.

2. The Awards may be made any time at the discretion of the selection committee which consists of:
   a. An appointee of the Cornwall Park Trust Board
   b. An appointee of the Trustee
   c. An appointee of The University of Auckland Council
   d. The Dean of Medicine and Health Sciences of the University of Auckland

3. Awards shall be made at the absolute discretion of the Selection Committee and for the following purposes:
   a. To assist with short-term postgraduate study and research abroad into matters of medical interest beyond the facilities available in New Zealand;
   b. Travel and conference grants towards the sponsoring and financing of travel in New Zealand and abroad of persons connected with medical education and the medical profession.
   c. Sponsorships of visits to Auckland of eminent medical personnel from overseas.
   d. Other objects of an allied nature as shall be approved by the selection committee.

4. The following should be used as guide to consider in applying for funding:
   a. Applications from individual funded by the Trust in the past three years will not be considered.
   b. Strong preference will be given to applications to present research at international meetings.
   c. Strong preference will be given to international rather than regional travel.
   d. Preference will be given to applications that combine two or more meetings/goals
   e. The majority of successful applications receive between $1,000 - $5,000.
5. The person or persons to whom an Award shall be made for the study and research must demonstrate that the results of such study and research will be of benefit to the community at large rather than private gain. Applicants must return to New Zealand following the overseas visit, and make available, within the ambit of their chosen employment or occupation, and for use in New Zealand, the knowledge acquired from such study and research.

6. Awards may be held concurrently with other grants but these shall be taken into account when assessing overall needs.

7. Applications for Awards will be considered three times a year by the Selection Committee.

8. Applications for Awards shall be made on the prescribed form and should clearly indicate the nature of the purpose for which the Award is to be made, the place or institution in which the purpose is to be pursued and a detailed budget of costs involved, including details of other financial support sought or obtained.

9. Applications may be made by staff of the School of Medicine in The University of Auckland and persons connected with medical education including the medical profession within the provincial district of Auckland.
