

ADMISSION CRITERIA – PGDipHSc(MRI)

Are you a registered Medical Imaging Technologist?

Yes

No

Do you have a clinical training position in MRI in New Zealand*?

No

Yes

You may apply on-line to be admitted to the **PGDipHSc (MRI)** programme.

You will need to provide:

- evidence of your medical imaging qualification
- your MRTB registration number
- a completed University of Auckland Clinical Training Position Agreement.

Once admitted to the **PGDipHSc (MRI)** programme you must apply to the Medical Radiation Technologists Board (MRTB) for registration in a Training Scope of Practice (MRI), providing evidence of your enrolment in the programme.

You may apply on-line to be admitted to the **PGCertHSc (Medical Imaging)** programme. You may begin your study while you seek your clinical training position and may transfer your enrolment across to the **PGDipHSc (MRI)** once you have secured your position.

Should you not secure a clinical training position before you have successfully completed four courses, you will be eligible to graduate with a completed qualification.

You may be eligible to transfer this qualification into the **PGDipHSc (MRI)** should you subsequently obtain your clinical training position within a period of 5 years.

You will need to gain a Medical Imaging undergraduate degree to be eligible to enrol in the **PGDipHSc (MRI)**.

From 2018, this qualification will be offered by the University of Auckland. Students for the **BMedImag(Hons)** programme will be selected from applicants who:

- have completed Year 1 of the Bachelor of Science (Biomedical Science) at the University of Auckland, or
- have completed a relevant degree such as science, health sciences or biomedical science within 5 years.

* If you are an international student please contact the Faculty Student Centre at fmhs@auckland.ac.nz for individual advice.
