

Guidelines for application to sub-speciality fellowships

The Paediatric Ophthalmology (Counties-Manukau) fellowship normally runs for one year and is a fully funded position. Please see the individual job description for details.

Interested candidates should email their application which must include:

1. Cover letter specifying reasons for applying and plans post fellowship
2. Up-to-date CV
3. 1-2 page summary of surgical log
4. Copy of IELTS or OET results if applicable (check minimum score criteria on Medical Council website www.mcnz.org.nz)

All the above documents should be sent as **one single PDF file**. Incomplete applications or applications with several attachments will be automatically rejected.

Applications to be emailed to Victoria Arcé at victoria.arce@auckland.ac.nz by **1st September 2023**.
