FRACP Paediatric Part 1
Written Examination Teaching
(for Australian-based trainees only)

Do you need help to pass the written examination?

We provide

- Lectures by Paediatricians (general, community, and sub-specialty), child psychiatrists, a paediatric dentist, and scientists
- 30 (2 hours each) weekly electronic lectures available via a website specifically teaching relevant topics for the Paediatric written examination
- A recommended reading list
- Practice multi-choice questions each month which are integrated with the topic presentations - these are marked and critiqued
- Paper 1 and 2 practice examinations in January 2021

Course format
The teaching programme is organised from The Department of Paediatrics: Child and Youth Health, The University of Auckland, New Zealand. It consists of documents and video recordings of weekly interactive lectures on topics aimed at providing a framework of the knowledge necessary for passing the Part 1 Paediatrics Written Examination.
