

## School of Medicine Scholarship - Postgraduate Study in Clinical Education

The School of Medicine is offering a scholarship to students completing postgraduate study in Clinical Education.

### **Eligibility:**

The scholarship is open to medical practitioners with a defined role in teaching undergraduate medical students from the University of Auckland. This will include honoraries, clinicians with a funded U of A position, and junior doctors. The scholarship is competitive and may be awarded for part or full fees tuition.

### **Application process:**

Please complete the application form and return to the CMHSE administrator (details below) with a copy of your CV, prior to the start of the University Semester in which you are enrolled. The decision will be made by a panel lead by the Head of the Centre for Medical and Health Sciences Education.
